METU Meinig AG Statement

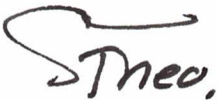

Regarding the EU Restrictive Measures following Russia's Invasion in Ukraine

Dear Sir or Madam,

In view of Russia's invasion in the Ukraine and the EU restrictive measures put in place by the council of the European Union we discontinued doing any business activities with Russian companies and expect that our suppliers also follow these regulations by not selling to us any goods from Russia.

We remain at your disposal for any questions you might have.

Sincerely,

Stavros Theodossiou
Head of Marketing and Sales
