

US-Exportkontrolle / Dual-Use

Dear Sir or Madam,

We usually check the Dual-Use Regulation every year for all our articles.

For our own exports, this is checked when the custom documents are drawn up.

Unfortunately, we are not able to issue a confirmation regarding the Dual-Use Regulation, as it also depends on the country to which the goods are to be exported.

For that reason please carry out the corresponding checks yourselves by using the respective country and customs tariff number of the individual items.

Thank you for your understanding.

Sincerely,

METU Meinig AG
